

# PROJECT 213A

"À TABLE" DINING TABLE

"À TABLE" DINING TABLE

PROJECT 213A

Designed by Project 213A in 2021  
Made to Order

An asymmetric table top standing on five oval legs. Each segment carved from an individual piece of cherry wood to showcase the natural flow and texture of the wood with hand carved detailing. The table top features delicate jointing details along the edges and the legs.

Length: 214.5 cm  
Width: 117 cm  
Height: 76.5 cm
